DETAILED ACTION

(Including an Examiner's Amendment)

Response to Arguments

Applicant's arguments filed 1/18/05 have been fully considered but they are not persuasive. Applicant has cancelled all previously rejected claims and has rewritten "objected to" claim 14 in independent form. An examiner's amendment appears below that puts the application in condition for allowance.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Attorney Tom Miller on 6/6/05.

The application has been amended as follows:

IN THE CLAIM

Claim 14, line 5 "of said plurality of communication interfaces" has been changed to --of a plurality of communication interfaces--.

Claim 14, line 7 "meets cost criteria set by an application;" has been changed to --meets cost criteria set by an application, wherein the cost criteria

includes consideration of a prepaid block of time with value remaining and that is financially beneficial to utilizing an interface that may be less expensive but which has not already been purchased;--.

Allowable Subject Matter

Claim 14 is allowed.

The following is an examiner's statement of reasons for allowance: Regarding claim 14, the utilization of a cost criteria in choosing an interface for transmission of data in a wireless communication network that takes into account considerations such as whether a prepaid block of time with time / value remaining as opposed to just utilizing the cheapest per unit interface was neither found, suggested, nor made evident by the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
